ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

Annual Plan Progress Report

The North Loup Housing Authority continues to strive to meet its goals set in the 5-year agency plan. One of our goals was to improve the quality of the authority by improving the PHAS score, increasing customer satisfaction and renovate and modernize. We continually strive to improve our PHAS score and to do that we must strive to maintain full capacity at the housing authority. We feel that more people will be interested in this housing authority as we continue to work on the other points in our goal. Increasing customer satisfaction and modernizing. We are doing a number of projects that have helped with modernization and are working on completing more projects in the future.

Another Goal that the housing authority had was to continue to serve the elderly. We were going to try to get a liaison started with the library, school and nursing home. We have been working with the library and the school. Both are getting more involved with the housing community. We also have been getting some programs here through the nursing home/hospital, blood pressure clinic and foot clinic. The tenants here benefit from both those new programs. Hopefully we can accomplish even more in the up coming year.
